MINUTES OF MODIFICATIONS TO THE BIDDING DOCUMENTS, INTERNATIONAL OPEN BIDDING PROCESS

In Salta, El Galpón, May 09, 2025.

Gathered Virtual - MS Teams with:

Carla Carelli (Austin Powder), Luis Acevedo (Austin Powder), Carlos Abad (Austin Powder), Susana Novoa (Austin Powder), Natalia Zapata (Austin Powder), César Tardivo (Austin Powder), Ricardo Luna (Austin Powder), Walter Agrelo (Austin Powder), Luciano Samitier (Austin Powder).

Pursuant to the provisions of the international open bidding process for the Supply of Nitrous Oxide (N₂O) Tertiary Abatement Technology for the Nitric Acid Production Plant of Austin Powder Argentina S.A., the following modifications to the previously published bidding documents are agreed upon. Four bids have been submitted, which include at least three technical options that need to be studied in detail in order to be able to perform the technical scoring. It is necessary to extend the deadline for the technical evaluation due to the large volume of information received and data that must be processed in order to perform the technical evaluation.
