

## Minutes of tender opening

Regarding the international public bid, which aims to contract the supply of Nitrous Oxide (N<sub>2</sub>O) emissions monitoring technology for its nitric acid production plant located in the Austin Powder Argentina Petrochemical Complex (APASA).

In the town of El Galpón, Province of Salta at 09:30 AM on December 09, 2025, virtually via teams and in person in the meeting room number 2 of the administration building of the Juramento plant, located at Ruta Nacional 16 km 653.5 (4444), the individuals and/or legal entities and the representatives of APASA whose names, positions and signatures appear at the end of these minutes, as well as their signatures on all the pages.

Engineer Walter Agrelo, Plant Manager, presiding the event on behalf of AUSTIN POWDER ARGENTINA S.A., and on behalf of the same company, Lic. Sebastián Martínez Supply and non- industry services Manager Susana Novoa, Eng. César Tardivo, Eng. Natalia Zapata, Eng. Carla Carelli, Eng. Luciano Samitier and Eng. Walter Agrelo are present to carry out the opening of the bids received electronically as required by the bidders as established in the call for the public bid, from the following participants:

Number	Participants that submitted their proposals electronically
1	ENDRESS + HAUSER ARG. S.A.
2	DASTEC SRL

First of all, we proceeded to review the documentation submitted for the proposals received via e-mail, without entering into a detailed analysis of their contents. From the foregoing, the following is stated for the record:

Documents	ENDRESS + HAUSER ARG. S.A.	DASTEC SRL
Technical proposal	Yes	Yes
Economic proposal	Yes	Yes
<b>Section 4 of the specifications:</b> DOCUMENTS TO BE SUBMITTED BY BIDDERS (administrative, legal, technical, and financial)	Yes (*)	Yes (*)

(\*): This information is submitted pending review of compliance with the requirements.

The receipt of the aforementioned documentation submitted by the participants was recorded, and an acknowledgement of receipt of the documentation received was delivered, with the observations accepted by the participants.

As a result of the above, proposals were received from the aforementioned companies for evaluation, and based on this evaluation, the corresponding decision will be issued and announced once the audit has been completed.

For notification purposes, as of this date, the digital version of these minutes is available to the participants at the following e-mail address <https://austinpoder.com/argentina/licitacion-sistema-de-monitoreo/>.

**AUSTIN POWDER**
